

K-LOVE serves our family in Anchorage, AK in a wonderful playing the encouraging music we like to hear and that no other station carries exclusively. The effect on our community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be such a loss to us personally, I cannot imagine how this change could equal K-LOVE's impact on us.

I believe that the service provided by K-LOVE is in the public interest specifically providing music that has helped our family and others to fulfil our heart's desire. This always spills out to others and makes for a happier, healthy community. K-LOVE is the one station that really has made a marked difference with ad-free programming.
